Explanation of Instructions

Please fill out the information above and attach a biography of the nominee, their notable accomplishments, reasons why your nominee should be awarded the ALROH, and any endorsement from the Chapter, Post, Department, etc. This action is required without exception.

Nominations should be submitted to the ALROH State Coordinators by December 31 of each year. The State Coordinator shall select current ALROH recipients to evaluate and judge these nominees. The first-place winner of each state shall be submitted by email or US mail to the National ALROH Administrator by March 1st of the next year. The address for the National ALROH Administrator is Bob Fulkerson, 205 Jackie Street, Elizabethtown KY 42701-9447 or bobf205@bbtel.com.

Every State may submit one nominee/application each year. Also, each year the Chapter Director that hosts the Romp will receive the ALROH Patch/Award if they meet the prerequisites.

All awards and nominations will be presented at the Annual Romp each year. No prior notification will be given. See "ALR of HONOR" Facebook page (and the events page of the webpage) for romp locations and dates. Award recipients will be posted after the romp each year. Also see our webpage, "alroh.hardinpost113.com".

All nominations materials and supporting documents will become the property of the ALROH and nothing will be returned.

The results of the committees will be final.

For any further information, please contact Bob Fulkerson at the address above, or email, bobf205@bbtel.com, or 270-300-8952 (leave message).
